About Nyfosa

Nyfosa is a transaction-intensive property company that creates value by building sustainable cash flows and constantly evaluating new business opportunities. With our opportunistic strategy, we invest in properties in different geographies and categories. We are currently active on the Swedish and Finnish markets with a focus on commercial properties in high-growth municipalities. We manage and develop our properties in close collaboration with tenants and the surrounding community, with the perspective that sustainability and profitability go hand in hand. As of September 30, 2025, Nyfosa's property value amounted to SEK 40 billion. Nyfosa's share has been listed on Nasdaq Stockholm Large Cap since 2018. Read more at www.nyfosa.se.
